87% of Americans surveyed said that they would change their buying decisions based on a cause. The We Care Worldwide Youth Entrepreneur Coupon Book is the ultimate in Cause Marketing for your business. Not only will each 10,000 books printed provide scholarships to send 20 teens through a 9 week entrepreneurship training program, the books raise thousands of dollars for local churches, non-profits and educational institutions. You as an advertiser in our Youth Entrepreneur Coupon Book can help choose the worthy teens & the institutions that benefit from this program. The Coupon Book is printed in beautiful full color, and ads start as low as \$22.50 per thousand.
